ELECTRIC MIRROR[®]
HOTEL LUXURY

Trinity™ Back-Lit Mirror

Senior Living | Sun City Ginza East
Tokyo, Japan

Designer | Barry Design Associates

Truly unique projects require truly original designs.

For over ten years, Electric Mirror's® design team has worked directly with leading interior designers, architects, hotel owners, developers and purchasing companies to create Back-Lit Mirrors that distinguish their hospitality projects and push the boundaries of contemporary design.

Having completed hundreds of hotel projects and with in-house production facilities located in the Pacific Northwest, Electric Mirror® provides for unencumbered communication at every stage of development, prototyping and production.

Turning ideas into reality.

Electric Mirror® is the World Leader in Back-Lit Mirrors and Mirror TV Technology™.
