ELECTRIC MIRROR®
HOTEL LUXURY

To instantly convey a hotel's intention to pamper guests with ultimate luxury and exceptional indulgences, the North Star™ Spa TV adds the crowning touch of relaxation to guest baths and spas.

Designed using a minimalist concept for wet environments, the North Star™ Spa TV mounts flush with the wall—adding a special touch of technology without adding clutter to the design. And, with its waterproof, buoyant remote, the North Star™ Spa TV ensures that guests will have an experience that reaches beyond their expectations and redefines their understanding of luxury.

Electric Mirror® is the Leader in Back-Lit Mirrors and Mirror TV Technology™.
