

NORTHSTAR™ RECESSED WATERPROOF TV

POLISHED STEEL
(PS)

BLACK FINISH
(BK)

BRUSHED STEEL
(BS)

The Northstar™ Waterproof TV allows for unobtrusive integration, recessed into a wall opening and designed to fit flush with, or over, any tile surface. The new easy-to-install design including Easy-Fit speakers and an Easy-Fit magnetic lock reduces installation cost compared to older technology.

THERE'S ONLY ONE™ ELECTRIC MIRROR®

NORTHSTAR™ RECESSED WATERPROOF TV

SPECIFICATION

- Choose the optimal location for the unit. Take into consideration the viewing angle and optimal viewing position (from tub, shower, or vanity) when determining the best location for the unit.
- Follow electrical instructions – always have a qualified electrician carry out electrical installation.
- Specify wall opening to accommodate the in-wall box. See wall opening drawing below for details. Allow opening

below the in-wall box to accommodate cables entering the bottom of the unit. Wall should be of suitable strength to support the weight of the product (35 lbs).

- Specify GFCI receptacle, RF cable drop or other visual cable in dry, well-ventilated, accessible location such as ceiling, closet, or cabinet.
- Provide conduit between GFCI receptacle and in-wall box to accommodate low-volt power cable, and video cables.

MODEL NUMBER	DIMENSIONS	POWER REQUIREMENTS
NOR-156-MS-BS/BK/PS*	18.25" W x 12.6" H x 3.5" D 464mm x 320mm x 89mm	120-277 VAC, .29-12 amps, 35 watts
NOR-190-MS-BS/BK/PS*	21.45" W x 14.4" H x 3.5" D 545mm W x 366mm x 89mm	120-277 VAC, .42- 18 amps, 50 watts

*Specify a brushed steel, black or polished steel finish when ordering.
