Electric Mirror Products in over 600 Projects in 2013 Year-to-Date
Setting a New Hospitality Sales Record for 2013

(Seattle, WA) Electric Mirror's rapid rate of growth is represented by its work on more than 600 hospitality, healthcare, and commercial projects in 2013 to-date. This strong upswing reflects the continued industry leadership of Electric Mirror, a 16-year-old company built on the founding principles of innovation, service, and exemplary product quality.

Electric Mirror continues its industry domination by revolutionizing the market with new technology-focused products, as well as luxurious, breathtaking product design. The company has become the brand standard for dozens of leading hospitality organizations such as the Four Seasons, Wyndham, Westin, Sheraton, W, Element, Marriott, Hilton, Hyatt, Omni, and the IHG properties.

Topping the list of completed hotel projects recently are large-scale installations for the Four Seasons hotels in Toronto, Paris, Disney Orlando, and Baku; the Park Central Hotel in New York; Sandals Grande St. Lucian; Royal Plantation in Grenada; and the Royal Bahamian Hotels.
