

ECLIPSE™ MIRROR TV COVER

PRODUCT DESCRIPTION

Transform the look of your existing flat-screen TV with an Eclipse™ and turn it into a sleek, modern mirror that reflects the beauty and luxury of your living space. Our innovative Iris® glass technology provides a crisp, clear image when the TV is on, and makes it vanish when turned off — perfect for living rooms and bedrooms.

SPECIFICATION STATEMENT

Solution shall consist of a corrosion-resistant mirror that disguises a flat screen television when the TV is off but allows the TV screen to illuminate through the glass when on. Mirror shall use Iris® glass to offer the brightest and highest transmission quality while providing minimal glare. Solution shall accommodate slim, tilting and swiveling 3rd party wall TV mounts. Installed product shall not void flat screen television's warranty. Product will be made in America with U.S. and global components and have a 3-year limited warranty.
